

Alberto Dosal founded Compuquip in 1980, to provide leasing and equipment services to the financial marketplace in South Florida. After attending primary schools in Miami, Mr. Dosal graduated from Florida Atlantic University in Boca Raton in 1973 and has over thirty-seven (37) years experience in the technology industry. Starting with the Burroughs Corporation as a Sales Trainee, he achieved the position of Sales Manager at the Miami Financial Branch. In 1979, he joined the General Electric Corporation and worked in their Computer Timesharing Division, selling accounting packages and other remotely processed applications. As President and CEO of Compuquip, he started the business as a one-person, financial solutions provider and today manages a regional, fully integrated IT services company. Mr. Dosal is a Chairman Circle member of the Greater Miami Chamber of Commerce, Group Chair Domestic Business Development Group for 2010/2011 of the Greater Miami Chamber of Commerce, member of The Beacon Council Advisory Board, founder of the Florida Atlantic University (FAU) football program, lifetime member of the FAU Inner Circle and Alumni Association and recipient of the 2000 FAU Talon Award for outstanding leadership. He also sits on the Board of Directors for Compuquip Technologies, Blue Wave Communications and Capital America.
