

# TECHNOLOGY LEADERS OF THE YEAR AWARDS

**Who is a Technology Leader?** Individuals that guide the effective use of information technology to improve their company's business performance and have had a positive impact in the community. Eligible nominees include CIO, Chief Technology Officers, Senior Vice Presidents, Vice Presidents, IT directors and managers from a cross section of user and vendor companies and IT divisions, including but not limited to professionals in network, database and contract management or procurement.

**Awards will be presented in the following categories:**

- CIO/CTO – Small/Medium/Large Enterprise  
*(separately and can be public or private companies)*
- Technology Infrastructure and Resource Management
- Best Up & Coming Technology Innovator
- Best Use of Technology *(for community as a whole)*
- Top Technology Student *(university student only)*

Applicants have until **March 15, 2010** to complete a simple questionnaire. The awards will be presented at the 2010 Technology Leaders of the Year Awards luncheon on April 30, 2010 at Jungle Island, 1111 Parrot Jungle Trail, Miami.
